February 1, 2010

Welcome back Purple Knights to the second half of the 75th anniversary school year at MHS. I hope that you have had a successful first semester and that you are ready to succeed this semester.

As we move into semester two I encourage each of you to become involved in co-curricular and extra-curricular activities. We know that students who are involved outside of the classroom have higher grades and have a better high school experience.

Parents can track their child's attendance by checking the daily attendance posting. I encourage students and parents to access our homework section to stay current about what is happening in each class.

Please feel free to contact us with your questions, concerns and suggestions.

M. Trent Munn
