

**June 16, 2010**

Good luck to all Purple Knights on your final exams. I hope that you have had a successful second semester.

To the graduates I wish you every success in whatever you attempt, be it post-secondary education, volunteering, or the work world. To all those returning to MHS in the fall, I wish you a safe and fun summer vacation.

On June 24 the tradition will continue as we say farewell to the 75<sup>th</sup> graduating class from MHS. It promises to be as always a very warm but very special evening.

I would like to recognize the custodial staff who have worked hard to keep the building clean; the teacher assistants who not only work with students, but also attend sports events and volunteer for so many extras; the cafeteria staff who add the personal touch and find ways to make sure that no student goes hungry; the admin assistants who greet our guests and who keep everything together and running smoothly; my three very capable and dedicated vice principals, and the amazing teaching staff who set high academic standards and volunteer for so many extra-curricular activities. Thanks to all of you for making this another successful year at Moncton High School.

Please feel free to contact us with your questions, concerns and suggestions. Have a great summer.

M. Trent Munn
